

CATI

CATI (Creating Alternatives to Incarceration) is a pre-arraignment diversion program in partnership with the Worcester County District Attorney's Office.

**Survivors,
we're with you.**

Led by and for Survivors, we're building a world where Survivors are valued, equal members of the community. Their voice and choices are honored implicitly.

"The CATI Program gave me a safe place to go where I was cared for and welcomed even at my worse. The women at LIFT played a much bigger role in my sobriety than they probably give themselves credit for."
